Words From Our CEO

As we reflect on the past year, we at Infocepts Foundation are filled with a deep sense of gratitude and fulfilment for the strides we have made in our mission to uplift communities and foster positive change. Our commitment to social responsibility has been unwavering, and we are proud to present our annual report for the fiscal year 2024-25.

- Shashank Garg

Words From Our CPO

At the heart of our CSR strategy lies a single, unshakable principle: Care for Our Communities. We believe that lasting, systemic change emerges only when every individual, our associates, beneficiaries, and implementation partners feel empowered, respected, and heard. This core principle guides our decision-making, shaping programs that foster ownership, cultivate local leadership, and build community resilience. I take pride in the foundation's dedication to CSR programs that align with our principles and enhance our collective impact on society. By putting people at the center, we transform initiatives into shared journeys of growth, ensuring each step forward is sustainable, inclusive, and rooted in genuine collaboration.

- Smrita Dubey

Words From Our CSR Head

Here at Infocepts, we're dedicated to making a positive impact through our Corporate Social Responsibility (CSR) initiatives. We've focused on environmental sustainability and planting trees to create a greener environment. Our community engagement efforts include extensive volunteer work supporting education, healthcare, and skill development programs that empower individuals to build better futures. We've also provided scholarships to underprivileged students and delivered essential medical care to those in need. Through these initiatives, we aim to foster meaningful change and enhance the well-being of the communities we serve .

- Sunil Narware

Words From Our CSR Lead

Infocepts, a leading CSR leader, emphasizes the importance of corporate success aligning with social progress. We have strengthened our commitment to empowering young minds through the Skill & Entrepreneurship Development Institute and Scholarship Program for engineering students, ensuring access to opportunities regardless of financial background. They also focus on environmental sustainability through the Oxygen Park project and the Biochar Project, promoting responsible carbon management and soil health. Infocepts serves not only the business world but also the communities where they operate, aiming to scale their impact and create lasting transformation. Together, we innovate. Together, we uplift. Together, we make a difference.

- Rimachand Kale

Introduction

Infocepts is a global leader in Data and AI solutions with 21+ years of experience, helping businesses transform through Data Analytics, AI, and user-centric analytics. Focused on unlocking data value, bridging strategy and execution, and promoting responsible AI, Infocepts offers services in Data Platforms, Business Applications, and AI Adoption. Their pre-built solutions accelerate results with automation, AI, and proven methodologies.

Innovation is core to their culture, showcased through biannual Innovation Days that turn ideas into impactful solutions. Infocepts' diverse team, spread across 90+ countries, With teams in the US, Canada, LATAM, UK, Europe, Middle East, APAC, and India, we drive efficiency, agility, and innovation—empowering businesses to achieve more with less through seamless global delivery and industry-leading expertise. ensures global delivery excellence. Through the Infocepts Foundation, the CSR arm, the company drives impact in education, skill development, health, and sustainability—empowering over 115,000+ lives under its mission of "Impact and Empower."

Our Team

CSR HEAD

Voice Of Infoceptians

At Infocepts, community care isn't just a value—it's our way of life. Our CSR program empowers associates to lead impactful initiatives across education, environment, and more.

One initiative close to my heart is the Innovate for Impact Scholarship, created with Buddy4Study to support aspiring engineers. We're making tech education more accessible—one student at a time. Infocepts is innovating not just in business, but for lasting societal impact.

- Sudhir Divecha
Group Manager (CEO Office)

Winston Churchill reminded us, 'we make a living by what we get, but we make a life by what we give.' This belief is at the core of Infocepts and something I hold dear. Through the Infocepts Foundation, we partnered with the Arthashastra Neuro School Foundation to provide laptops to students with autism, enhancing their digital learning. Spending time with these remarkable learners was humbling and inspiring. I'm truly grateful for this opportunity and immensely proud to be part of an organization that steadfastly lives its values.

- Gopal Appuswami
Assistant Vice President

Infocepts has embraced CSR wholeheartedly since its inception and has created avenues for its associates to participate in these noble initiatives. The organization firmly believes that those who engage in CSR initiatives gain invaluable life lessons, wisdom, enrichment, thereby making them more valuable for society at large. With a focus on creating long-term impact in key areas, Infocepts is committed to building enduring partnerships that contribute meaningfully to regional development.

- Vandana Gour
Senior Manager (CS & Lead)

About Us

As the Corporate Social Responsibility (CSR) arm of Infocepts, Infocepts Foundation (formerly iCare) is devoted to making a meaningful impact on society through its mission of "Impact and Empower." Focused on key areas like education, skill development, health and wellness, and environmental sustainability, the Foundation strives to create lasting change and opportunities for underserved communities.

Driven by a commitment to enriching lives, Infocepts Foundation has positively impacted nearly 113,038 beneficiaries, empowering individuals and fostering brighter, more prosperous futures for those in need.

In the 2024-25 period, the Foundation made significant strides in environmental initiatives, underscoring its dedication to sustainability. Alongside this, it continued its efforts in education, healthcare, preventive health, and community development, ensuring a holistic approach to social upliftment.

Vision

Care for our Communities

Mission

Empowering communities through impactful CSR initiatives in education, environment, health, and development for a sustainable and brighter future

#CareForOurCommunities

Highlights

8000+ tree Plantations done at Oxygen cum Agro Park with rainwater conservation project at Dhaba Village.

900+ Students benefited from our digital literacy support program through donated computers.

600 Students benefited from donations made for school infrastructure construction.

525+ People benefited from the Health Awareness & Checkup Camp.

22 Underprivileged Children **150** and Associate Participated in Diwali Celebration.

500+ Clothes donated by our associates during Daan Utsav for **100** underprivileged people.

400 Students benefited at Shree Ramakrishna sanskriti Peet School, Kamthee.

137 Units of blood donated through Two Blood Donation Camps.

143 Autistic Children benefited through the Prayas Rehabilitation Program.

117+ Special children (Autistic students) gained health benefits through aqua therapy Facility.

100 Computers donated to schools to enhance digital literacy

98 Engineering students received the infocepts innovate for Impact Scholarship.

60 Rural unemployed youths trained and placed by our Skill and Entrepreneurship Institute.

Sustainable Development Goal

The Sustainable Development Goals (SDGs) are a universal call to action to create a more fair, just, and equitable world ensuring no one is left behind. In 2015, all member states of the United Nations adopted the 2030 Agenda for Sustainable Development. This agenda is comprised of 17 SDGs that provide a shared blueprint for a more peaceful, prosperous, and sustainable future for all. While all of the goals are interconnected, we focus on six goals that are core to our mission of preventing blindness and restoring sight.

SDG icons to learn about how we are working to end poverty, promote good health and well-being, provide opportunities for quality education, increase gender equality and women’s empowerment, provide access to clean water, and create meaningful, lasting partnerships to collectively achieve these goals.

INFOCEPTS SUSTAINABLE GOALS

Infocepts and the SDGs: Driving Sustainable Impact

At Infocepts, we are committed to aligning our business practices with the United Nations Sustainable Development Goals (SDGs), ensuring our success contributes to a positive societal and environmental impact. By integrating key SDGs—such as Responsible Consumption and Production, Climate Action, Quality Education, Gender Equality, and Decent Work & Economic Growth—into our corporate strategy, we leverage our strengths in data analytics and AI to create meaningful change.

Our approach focuses on identifying high-impact areas, setting measurable targets, and tracking progress to support both business growth and global sustainability. Through our operations, innovation, and CSR efforts, we continue to make significant strides toward advancing the SDGs and driving long-term value for communities and the planet.

#CareForOurCommunities

INFOCEPTS SUSTAINABLE GOALS

Provide stable and prosperous lives for disadvantaged people by providing them with economic possibilities. Families in need have benefited from these initiatives in the long run.

Ensured continuous meals for nearly 3,000 students, addressing hunger and improving educational outcomes. This initiative contributes to attendance and academic performance.

Conducted regular health checkups for all employees, fostering a culture of well-being and proactive healthcare. This has led to improved overall health and productivity.

Provided scholarships and computers to over 100 students to help them pursue higher education, bridging the digital divide and enhancing learning opportunities.

Promoted gender equality through equal employment opportunities and non-discrimination policies, which support inclusivity and empowerment within the organization.

Initiated rainwater conservation programs in nearby villages to enhance water availability and sustainable resource management for the indigenous communities.

Offered skill development training to over 162 youths, equipping them with the competencies needed for employment which increased their employability in the job markets.

Continued innovation to reduce environmental impacts, leveraging technology to enhance operational efficiency and sustainability in our business operations.

Promoted equal employment opportunities and non-discrimination across all levels of the organization. These efforts ensure inclusivity and respect for diversity in the workplace.

Contributed to creating sustainable communities by supporting initiatives like planting trees to enhance green spaces and implementing waste management practices.

Recycled over 100 tons of waste and implemented zero-waste systems to minimize environmental footprints. These measures have significantly reduced landfill contributions.

Committed to reducing emissions by over 62% by 2034 from 2024 levels, aligning with global climate targets. This commitment underscores our leadership in climate responsibility.

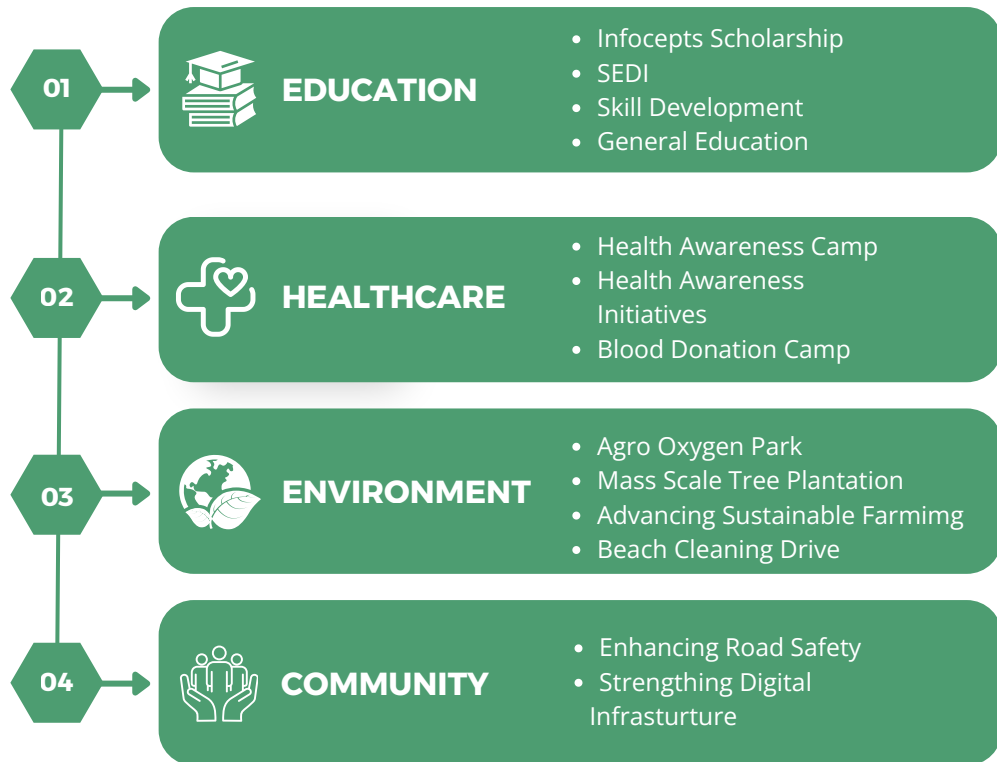

Planted over 8,000+ trees to create an oxygen park, contributing to reforestation and biodiversity enhancement. This project also improves air quality and ecosystems.

#CareForOurCommunities

Focus Area

Educational Activity

In the year 2024-2025, the Infocepts Foundation demonstrated a strong decicarategic fahancing educational opportunities within the community. By forming strategic partnerships and engaging in colla boithin the corts, the foundation launched numerous initiatives focused on improving access to quality educations and fostering a culture of lifelong learning the secefforts were aimed at addressing critical educational challenges and promoting a more equitable and inclusive learning environment for all.

Infocepts Scholarship

The Infocepts Foundation, in collaboration with Buddy4Study, proudly continued 2nd year with Buddy4Study the Innovate for Impact Scholarship 2024–25 to support Tech students pursuing engineering degrees in Computer Science and related fields. This is empowering for Transgender students in tech. They can also enrolled in Computer Engineering, IT, AI, ML, Data Science & Analytics across India. Offering up to ₹50,000 per year for three years. This initiative promotes diversity, inclusion in tech by supporting communities. In FY 2024–25 98 students awarded scholarships INR 34 lakhs donated funds are directly transferred to students' college accounts. This impactful program not only eases financial burden but also unlocks their academic and career opportunities for transgender students.

Educational Activity

Skill & Entrepreneurship Development Institute

In collaboration with the Ambuja Foundation, the Skill & Entrepreneurship Development Institute (SEDI) has successfully empowered youth by equipping them with essential technical and soft skill under the Skill India Mission and NSDC initiatives. Celebrated at a convocation ceremony in Mihan Khapri, Nagpur, the program marked a significant milestones, with over 80% of trainees gaining on-the-job training and nearly 90% securing employment through industry partnerships with organization like Vigilance Workforce Solution and Carrier Media Pvt. Ltd. Courses such as the Assistant Electrician cum Refrigeration and BFSI were instrumental in preparing graduates for the workforce, achieving an average CTC of 2.5+ lakhs per annum. This impactful initiative reflect the strength of collaborative efforts in bridging the skill gap and creating sustainable livelihood, with heartfelt gratitude extended to the Infocepts Foundation, Ambuja Foundation, and partnering industries.

Educational Activity

Ragini's Story – Rising Beyond Struggles

Ragini Satpute, from Parsodi, Nagpur, has faced more hardships than most at her young age. After losing her father, she took on the responsibility of supporting her mother and younger sister by giving small home tuitions, managing to earn only ₹3,000–5,000 a month. Deep down, she wished for a better life for her family. That wish turned into action when she joined the BFSI course at SEDI. Through dedication and hard work, Ragini not only completed the course but also became the Best Trainee of her batch.

After several attempts at interviews, she secured a job as a Customer Care Executive at Muthoot Fincorp with a salary of **₹15,500 per month**. This new beginning did more than improve her family's financial stability—it gave her confidence, strong communication skills, and a belief that she could dream bigger. Today, she also volunteers at Youth for Sewa Foundation, encouraging other youths to join SEDI. For Ragini and her family, this journey has been nothing short of life-changing.

Educational Activity

Punam's Story – Courage to Begin Again

Punam Khodatkar comes from Kanholibara, a small village near Hingana in Nagpur, where even basic transport is a daily challenge. She had to marry early due to societal traditions and couldn't complete her graduation, although she is now pursuing a BA alongside her responsibilities. Fueled by curiosity and determination, Punam enrolled in the BFSI course at SEDI (Nov 2024 – Feb 2025). She never missed classes, actively joined activities, and quickly stood out with her dedication.

Her efforts paid off—Punam became the first trainee placed at Sahyog Co-operative Bank, with a **monthly salary of ₹15,500**. Life tested her again when she met with an accident soon after joining, but she refused to give up. Rising stronger, she met her targets and was even awarded Best Employee of the Quarter. The new role brought financial stability, boosted her confidence, and gave her the courage to inspire and mobilize others towards SEDI. For Punam and her family, this isn't just a job—it's a fresh start filled with dignity and hope.

Educational Activity

Skill Development Initiatives Anandan, Kolkata

Anandan, a benevolent program based in Kolkata, is focused on enhancing lives through education, skill development, and support for livelihoods. Driven by the conviction that all children should have access to education and every person should have the opportunity to develop, Anandan connects with those who are most disadvantaged. At its community learning centers, it offers free education and academic assistance to children who would otherwise be unable to attend school. It offers practical training initiatives for young people and women in fields such as sewing, computer skills, and electrical trades—empowering them with self-assurance, job-ready abilities, and the potential to launch small enterprises. Through the promotion of local talent and the support of self-help groups, Anandan plays a key role in developing self-sufficient families and more resilient communities.

Educational Activity

- **General education**

Over the last year, Anandan achieved considerable progress in education, guided by a group of 10 committed teachers. A total of 225 students were assisted, reflecting a significant 30% increase in enrollment from the prior year. A notable achievement was the 100% success rate in the 2025 Madhyamik Examination, with all 10 students passing the tests—2 achieving First Division and 8 obtaining Higher Second Division. This achievement demonstrates Anandan's ongoing dedication to inclusive education and scholastic excellence.

- **Digital Literacy**

Anandan's computer literacy program trained 145 students in three batches: Batch A (Class II–V), Batch B (Class VI–IX), and Batch C (Class X–XI). Students acquired essential skills in MS Word and Excel, and senior students began exploring employment opportunities involving computer-based work. Noteworthy success stories include Suman Bera, now working at Vodafone's inbound call center with a monthly salary of ₹9,000, and Parama Halder, employed as a computer operator in the private sector earning ₹8,000 per month

Educational Activity

• Mushroom Cultivation Training

The year 2024–25 was highly successful for Anandan’s mushroom cultivation training initiative, which empowered 150 individuals, including 100 women, with sustainable agricultural skills. Out of these, 25 trainees not only completed the program but also continued their cultivation practices. The training was expanded to new regions, including Mayureshwar-I and Nalhati-I blocks in Birbhum District, as well as Malda and West Burdwan districts. The initiative received broader recognition through six broadcast programs on All India Radio and Doordarshan, two newspaper features, and two exposure visits to the Ashram. Furthermore, trainees benefited from enhanced learning and networking through two workshops hosted by Visva-Bharati University.

• Driving Course

With the support of Infocept, Anandan provided professional driving training to 60 students, all of whom were licensed by December 2024. These individuals are now employed and earning between ₹13,000 to ₹15,000 per month, thereby contributing not only to their own livelihoods but also to the economic well-being of their families and communities.

Educational Activity

Infrastructure support to Maa Sarada Gyana Mandir

On May 2, 2025, Infocepts Foundation inaugurated a 500 sq. ft. classroom at Maa Sarada Gyana Mandir in Kampthee, operated by Shri Ramakrishna Samskriti Peeth, to support the educational needs of underprivileged students. This initiative addresses the growing infrastructure demands due to rising enrollment and provides a learning space equipped for both traditional and digital modes of education. With an annual capacity of 40 students, the classroom is expected to benefit over 400 children over the next decade, significantly contributing to improved access to quality education for economically disadvantaged families.

Educational Activity

Knowledge Visit at Infocepts

Infocepts Foundation organizes knowledge visits to bridge the gap between academic learning and real-world industry practices. These visits provide students and professionals with the opportunity to explore modern data and analytics solutions, understand the latest technologies, and interact with experienced industry experts. Through guided sessions, live demonstrations, and open discussions, participants gain valuable insights into how data-driven decision-making transforms businesses. The initiative not only enhances technical understanding but also inspires innovation and prepares attendees for future challenges in the evolving tech landscape and Infocepts culture.

Healthcare & Preventive Health

In the year 2024-2025, The Infocepts Foundation remained steadfast in its commitment to promoting health and wellness within the community. Through strategic partnerships and collaborative efforts, the Foundation orchestrated several initiatives aimed at raising awareness about crucial health issues and fostering a culture of preventive healthcare.

Healthcare & Preventive Health

Breast Cancer & Eye Care Awareness Camp

As part of Infocepts Foundation's commitment to community health and preventive care, the organization conducted two impactful Health Awareness Camps during the financial year 2024-25, reaching a total of 1,220 beneficiaries across Nagpur.

Breast Cancer & Eye Care Awareness Camp

Held at St. Ursula High School, Civil Lines, this camp was organized in collaboration with Udhar Multipurpose Society, Orange City Runners (OCR), and the Rotaract Club. The initiative focused on raising awareness around breast cancer prevention, early detection, and eye care practices.

- Beneficiaries Reached: 680
- Medical Partners: Rastrasanta Tukadoji Maharaj Cancer Hospital, Madhav Netralaya, and Central India Cardiology Hospital & Research Institute.
- Expert Session: Dr. Kartar Singh, a renowned oncologist, addressed myths surrounding breast cancer and emphasized the life-saving potential of organ donation.

Healthcare & Preventive Health

Hepatitis Awareness Camp – Nagpur

In collaboration with Setu Welfare Foundation, Infocepts organized a dedicated Hepatitis Awareness Camp in Nagpur, reaching 540 beneficiaries. Despite challenging weather conditions, community participation remained high, reflecting strong public interest in health education.

- Beneficiaries Reached: 660
- Focus Areas: Hepatitis prevention, early diagnosis, and lifestyle guidance.
- Support Team: Rotaractors and Infocepts Admin Team members ensured smooth coordination and participant care

These camps exemplify Infocepts Foundation's strategic focus on preventive healthcare, community engagement, and social responsibility. By partnering with expert institutions and mobilizing volunteers, Infocepts continues to foster a healthier and more informed society.

Healthcare & Preventive Health

Blood Donation Camp

In 2024–25, Infocepts Foundation organized two impactful blood donation drives, reflecting our commitment to Care For Our Communities.

The first, in June 2024, marked Infocepts' 20th Anniversary with 76 donors across Nagpur, Pune, and Chennai. The second, in February 2025, saw 61 CSR Heroes—including many first-time donors—join a nationwide Blood Donation & Testing Camp.

Graced by Group Captain (Retd.) Ranvir Singh and Dr. Vijayakumar Tungar, these events proved that small acts of kindness can inspire a lifetime of hope.

Environment & Sustainability

In 2024-2025, The Infocepts foundation reaffirmed its dedication to environmental conservation and sustainability. The foundation launched transformative projects to combat climate change, reduce waste, and preserve natural resources. By fostering eco-friendly practices and engaging local communities, it encouraged collective action towards a cleaner and greener future.

Environment & Sustainability

Agro Oxygen Park

In our continued pursuit of environmental stewardship and sustainable development, the second year of the Agro Oxygen cum Biodiversity Park at Dabha Village, Hingna Taluka marked a significant milestone. Aligned with the UN Sustainable Development Goals (UNSDGs) and our ESG commitments, this initiative was implemented in collaboration with the Ambuja Foundation and the local Gram Panchayat, reflecting our vision of ecological restoration and community-driven progress.

Environment & Sustainability

Mass Scale Tree Plantation

A key highlight of this effort was a large-scale native tree plantation drive, during which 2,895 fruit-bearing and 5,105 non-fruit-bearing trees were planted. The initiative was powered by the active participation of 325 individuals, including 68 associates from Infocepts, local villagers, and dedicated volunteers. Together, their collective energy transformed five acres of barren land into a thriving green oasis—contributing to biodiversity enhancement, climate resilience, and long-term ecological sustainability.

Impact :- 278 Male & Female, 150 children and 520 livestock (Animals)

Environment & Sustainability

Advancing Sustainable Farming: Biochar Initiative

We're proud to share that farmer of Semra and Dadri Village, have embraced eco-friendly agricultural practices through our Biochar Training & Demonstration Program. This initiative aligns with Infocept's sustainability and CSR commitments, fostering soil health, boosting crop yields, and supporting carbon sequestration.

Biochar, a carbon-rich material derived from agricultural waste, enhances soil fertility, improves water retention, and helps combat climate change. Our program equips farmers with sustainable techniques that drive productivity while protecting the environment. Additionally, it opens doors to carbon credit opportunities, creating new income streams for farming communities.

Expert insights were shared through live demonstrations by Agricultural Scientist Mr. Shishir Ranjan (Farmisto) and ESG Consultant Pulak Mishra (Sustainovate), providing strategic guidance to farmers.

Together, we are building a future where innovation meets sustainability, empowering communities to thrive in harmony with nature.

Environment & Sustainability

Beach Cleaning Drive - Chennai

As part of our 2024–25 CSR initiatives, employees at our Chennai location took part in a beach cleaning drive focused on environmental sustainability and marine conservation. The team collaborated to remove approximately 140kg of plastic waste and garbage, with 26 CSR heroes (volunteers) actively participating. This initiative not only contributed to protecting marine life and restoring the natural beauty of the beach but also raised significant awareness about the harmful effects of marine pollution. The event fostered a strong sense of environmental responsibility and teamwork, reinforcing our shared commitment to making a positive impact on our surroundings.

Environment & Sustainability

Green Care Initiative with Vasundhara Foundation

Infocepts Pune launched its 2024 Green Care Initiative with a mission to nurture saplings, engage associates in environmental stewardship, and support Pune's urban forestry goals. Volunteers followed a fortnightly watering schedule for 200+ saplings, used organic fertilizers, and monitored soil and plant health. Team-building activities further strengthened collaboration and morale.

These efforts improved sapling survival rates and fostered stronger interdepartmental bonds. In recognition, Vasundhara Foundation awarded Infocepts a Token of Appreciation. Moving forward, the initiative aims to adopt data-driven growth tracking and expand partnerships, setting a benchmark for corporate environmental responsibility.

Public Welfare & Community Development

In 2024-2025, The Infocepts foundation took significant steps toward empowering communities by focusing on education, skill-building, and infrastructure enhancement. The foundation worked to uplift underserved populations and create lasting impact. Collaborative programs with stakeholders fostered opportunities for growth, self-reliance, and economic resilience.

Public Welfare & Community Development

Enhancing Road Safety

TIDEL Park Signal, Chennai:

As part of its commitment to road safety and community welfare, Infocepts Foundation successfully installed safety signage boards at the busy TIDEL Park signal in Chennai. This CSR initiative aligns with our core principle, Care For Our Communities, aiming to raise awareness among commuters and reduce the risk of accidents through clear and visible traffic signage. The project reflects our dedication to creating safer public spaces and supporting the efforts of the Tamil Nadu Traffic Police in promoting responsible road behavior.

By contributing to safer road infrastructure, Infocepts Foundation continues to demonstrate its proactive approach to meaningful, community-driven change through collaboration and long-term impact.

Public Welfare & Community Development

Strengthening Digital Infrastructure

Baner Police Station, Pune:
Infocepts Foundation extended its CSR efforts by donating 10 computers and a printer to Baner Police Station in Pune, aiming to improve the station's digital infrastructure and enhance operational efficiency. Executed in collaboration with the local police department, the initiative supports the law enforcement team in their daily functions and reflects our appreciation for their commitment to public service.

This contribution highlights Infocepts Foundation's ongoing efforts to bridge the digital divide and strengthen public institutions. Through targeted and impactful community development initiatives, we continue to empower key public services and reinforce our mission to bring about sustainable and positive social change.

Implementation Agencies

THE ROAD AHEAD

- Strengthen village green infrastructure for survival, biodiversity, soil, health and community stewardship.
- Approve CSR budget and assign pillar leads with monthly CSR Board reviews.
- Finalize Budgets with Buddy4Study, NGOs, trainers, hospitals, municipal bodies and employers.
- Confirm plantation sites; plant mixed native-species clusters along roads, community spaces and fields.
- Launch scholarship selection, mentorship and two skilling cohorts in Q1.
- Q2: health camps, blood drives, early-monsoon sapling planting and market-linkage pilot for sewing cohorts.
- Q3: scale skilling, employer placements, large maintenance drives and collect case studies.
- Deploy KPI dashboard baseline → quarterly tracking → endline 10% third-party verification.
- Q4: validate sapling survival, consolidate placements/referrals and hold stakeholder gratitude events.
- Publish concise 2025–26 impact report and use findings to plan 2026–27.

GRATITUDE

As we reflect on the milestones of 2024–25, we are deeply humbled by the unwavering support of our partners, volunteers, and well-wishers. Every initiative we undertook was made possible through your trust, collaboration, and shared commitment to social impact.

Our journey this year was marked by both challenges and triumphs. Yet, our resolve to uplift communities remained steadfast. With your continued encouragement, we have not only delivered meaningful change but also laid the foundation for a more inclusive and empowered future.

We extend our heartfelt appreciation to the Ministry of Corporate Affairs and the Government of India for their steadfast guidance and visionary leadership. Their support has been instrumental in enabling us to scale our efforts and foster a culture of purposeful collaboration.

Together, we are not merely implementing programs—we are nurturing hope, building resilience, and shaping lives. Thank you for walking this path with us.
